

Brain Injury Support Groups

Support groups function independently of BIAF and differ in each community, depending on the needs and desires of attendees. BIAF provides resources, educational materials, and technical assistance where possible. For information about these groups and their meeting locations and times, please contact the individuals listed. Since each group is different, you are encouraged to contact several groups, to find the one that best meets your needs.

COUNTY	CITY	NAME	PHONE/OTHER
Alachua	Gainesville	Marie Mysiuk, RN, CRRN	352-265-5491 x70119
Bay	Panama City	Sheryl Morden	850-769-7779
